

Hope Kids

LISTEN to hear Christ's Voice, **LEARN** to know Him, **LIVE** to love Him!

November 15, 2009

Dear Hope Kids Parents,

Thank you so much for your patience and support as we transition from Champions to Hope Kids. Obviously, one of the big transitions is our registration process. Your child's safety and growth in Christ is of the utmost importance to us. Thus we have set-up our registration process so that:

1. Our teachers can focus on their students and not worry about registration.
2. Traffic in the Hope Kids wing is limited to parents, Hope Kids and Hope Kids personnel.
3. We concentrate the focus of drop-off and pick-up on our registration team so that we don't have kids being picked up without our teacher's knowledge.

Here's what to expect:

1. There are two check-in stations:
 - 0 through 3 years of age
 - 4 years through 3rd grade
2. A host will greet you and have you sign your kids in:
 - Look for child's first name alphabetically
 - According to their class
3. You will be given your child's name tag (please put it on them).
4. You will be given your child's claim slip for child pick-up.
5. Your child will be given hand sanitizer to sanitize their hands.
6. Your child will be connected to their classroom assistant who will escort them to their classroom.
7. When you arrive to pick up your child sign them out, turn in your claim slip and your child will promptly be returned to you. *Remember sometimes it takes a minute or two for kids to gather their things.

Again thanks for your patience! It is an honor to be trusted with your children!
